SEN. HOLLAND SPEAKS TODAY IN BELLE GLADE

Belle Glade Clerk Short \$22,332.02 Over 8 Year Period

Resignation of City Clerk Alva L. Wallis was accepted at a special meeting of the city commission in Belle Glade after an auditing of the city's finances showed shortages totaling at least \$22,332.02 in Wallis' books.

Commissioner Junius Harris, city treasurer, said that a formal claim has been filed with the bonding company to recover as much of the loss as possible.

Wallis had been city clerk for about 8 years, serving also in the capacity of tax collector, tax assessor, and clerk of the court.

William B. Rhodes, certified public accountant for the city, presented to Mayor Harold J. Rabin a final audit of the city's account, showing shortages in Wallis' books.

Harris said the bonding company has already opened an investigation into the matter. No appointment was made Tuesday to fill the vacancy created by Wallis' resignation, but the commission directed the treasurer to increase the bonds on the offices of city clerk, tax collector, chief water clerk, chief of police, city treasurer, desk sergeant, and street superintendent.

Harris pointed out that the shortage may amount to "a great deal more" than the \$22,332.02 figure, but since the records are missing for certain periods, no claim can be filed with the bonding company until they are located.

Local PTA Plans To Entertain County Council On Nov. 15

Members of the Canal Point Parent - Teacher Association at a meeting in the school auditorium Monday night made plans to act as hosts at the PTA County Council meeting which is to be held in Canal Point on Nov. 15.

Mrs. Boyd Vorhees, president, announced that Mrs. Clint Livingston has been elected County school lunch room chairman. Mrs. Lon Adams was appointed study course chairman.

New PTA year book, prepared by Rev. Earl J. Jones, were distributed at the meeting. The monthly attendance banner was won by Mrs. Marvel Griffith's third grade room.

On the program Sgt. W. R. Kaufman of the State Road Patrol gave a talk on "Safety on the Highway" which he illustrated with motion pictures. Sgt. Kaufman was introduced by Boyd Vorhees, program chairman.

Following the meeting refreshments were served by Mrs. W. K. Buchanan, Mrs. C. L. Stuart, Mrs. Bill Shackford and Mrs. Prentice Tuberville, hostesses.

Armistice Speech Scheduled For 4 P. M.

U. S. SENATOR SPESSARD L. HOLLAND

Project No. 717 Gets Mail Box Number 717

The State Road Department crew in Pahokee which is supervising building of Bacom Point Road. (State Road No. 717) made application to Postmaster Ed Jensen for a mail box the first of the week. The only box available for the SRD crew was Box No. 717.

Legion Ready For Concrete Pouring

At a meeting of Fred and Percy Mansfield Post 90 in the Woman's Club building Monday night Commander Perry Duke reported that all materials for the foundation of new Legion Home which Post 90 plans to build on Canal Point Road near the Pahokee Hospital have been purchased and the pouring of the concrete foundation will start within the next few days. Commander Duke asked for a good turnout of Legionnaires as volunteer labor for the construction of the foundation.

The group voted a donation to the fund being raised to finance the annual Christmas party for the children of the community. Members and the public at large were urged to attend the big Armistice Day celebration in Belle Glade this Friday. There will be a big parade at 2:30 p. m. and Senator Holland will be guest speaker at 4 p. m.

Plans were made to sponsor a post-season game on Lair Field between two negro football teams. The sponsorship of a carnival by Post 90 in the near future was also discussed at the meeting.

Water Rates Uppe By Pahokee Council

The Pahokee City Council Tuesday night passed an ordinance raising water rates and services as follows: One-half inch line, monthly minimum raised from 2 to \$2.50 and service connection from \$5 to \$15; three-fourth inch line, monthly minimum raised from \$3 to \$4 and service connection, from \$10 to \$17.50; one inch line, monthly minimum raised from \$4 to \$6 and service connection, from \$15 to \$25. The charge for water used in excess of the monthly minimum was raised from 30 cents to 40 cents per one thousand gallons and the turnover charge was increased from 50 cents to \$1. It was announced that if water bills past due are not paid immediately service will be cut off.

The State Road Department, which is to have a new road built to connect Barfield Highway with the Palm Beach County-Glades Airport on Bacom Point, asked the city to move its water main on Bacom Point Road so that it will be at least 20 feet from the center of the new road. Waterworks Superintendent R. J. Schroeder was instructed to figure pipe requirements for the new Bacom Point main.

Harry Sheppard, who has been ill for several months, was re-employed in his former position in the waterworks department. The council authorized plans to be drawn for the disposal of sludge at the waterworks plant.

If you go hunting this Fall, try to come home without getting shot, or shooting your companion.

Big Armistice Celebration Planned Belle Glade Today

Joe Parker Is First To Pay Us Sales Tax

Joe Parker, son of Mr. and Mrs. J. P. (Dodo) Parker of Canal Point, was the first customer in The Everglades News office to pay the state sales tax. Joe bought a sheet of cardboard for 10c and had to dig down for the additional penny to comply with state law.

County Road Crew Building Another Stretch Of Road

County Road forces were busy this week starting construction of another half mile of rock road in Pelican Lake bottom. Last spring before advent of the rainy season one mile and a half of rock road was built in this area. When the rainy season started, Commissioner Rardin pulled the road building crew off the job and put the men to work on summer bridge building and road maintenance.

With ideal weather for digging rock at the county rock pit, county forces under supervision of Road Supt. J. K. Baker, were back on the Pelican Lake Bottom job Monday morning.

The several acres of rock in the county pit back of the state market were recently stripped of muck ready for rock digging. The muck was hauled to the hospital grounds in Pahokee and used as fill which brought the hospital lot up to road level.

Ladies Night Plans Made By C. P. Lions

Plans for Thanksgiving week were discussed by Canal Point Lions at their regular dinner meeting Monday night. On Monday, Nov. 21, the Lions will entertain their wives at the annual ladies night program to be held in the school auditorium, with members of the Canal Point WSCS to have charge of dinner arrangements. On Nov. 22 and 23 the club will sponsor a turkey shoot in Canal Point.

Guest at the meeting was James E. Woodhouse, editor of the Lions official State magazine, who spoke briefly. He was introduced by Manning I. Keen, past president of the Pahokee Lions Club, who was also a guest. G. Lawton Sims, vice president, presided in the absence of President A. R. Harrington.

Mr. and Mrs. Inman W. Weeks are visiting their son-in-law and daughter, Mr. and Mrs. Edward L. Hamilton, and their brand new grandson in Durham, N. C. this weekend.

This is the big day for Belle Glade. Citizens have planned a big Armistice Day parade and all the apertunances to make it an outstanding event. U. S. Senator Speppard L. Holland will highlight the program at 4 o'clock this afternoon when he delivers one of his masterful addresses.

A parade will be staged at 2:30 o'clock when the National Guard, the Belle Glade High School band and probably other bands will make up the marching units. Various organizations such as the Legion will also participate in the parade.

Following the speaking by the Glades' distinguished guest today, citizens will then go to the city park where an enormous barbecue dinner is being planned. Tickets are being sold at a dollar each for this big occasion.

Constable Ray Whitlock is in charge of the barbecue and that is enough said. The genial constable has a flair for cooking meat to the point where it can only be described as delectable. The constable's sauces are out of this world. All in all, as far as the barbecue is concerned, citizens are sure to get more than their dollar's worth when they partake of the constable's offering.

The barbecue will be followed in the evening by the annual foot ball contest between Lake Worth Trojans and Belle Glade Rams. Especially will the game this year be of outstanding interest since the Lake Worth gridgers are being coached by a former Belle Glade foot ball mentor—Coach Cook.

Following the foot ball game there will be a square dance for those who care to participate and another dance will be staged for the high school boys and girls.

From advance notice and information, today bids fair to be an outstanding day in the history of Belle Glade. The entire celebration is being sponsored by the American Legion Post of Belle Glade.

Pahokee Lions Hear Magazine Editor

James E. Woodhouse of St. Petersburg, editor of the Lions official State magazine, was a guest and gave a brief talk at the Tuesday luncheon meeting of the Pahokee Lions Club.

Following the luncheon the meeting was adjourned with all members going to the Prince Theatre where they were the guests of Lion Leonard Dobrow and saw a special showing of scenes of World War II action in the Pacific area photographed by the armed services.

Dr. and Mrs. Roland R. Long had as guests over the weekend Dr. and Mrs. W. D. Brown of Fort Pierce and Dr. and Mrs. W. H. Wilson and family of Pompano.

News Notes From State Capital

TALLAHASSEE—Plans for two skyscraper men's dormitories and a \$450,000 student union building for Florida State University have been announced here by President Doak S. Campbell. The buildings, plus an assortment of smaller units for fraternities, will be financed by self liquidating bonds, paid off by rents. This is part of the 50-year plan drawn up by President Campbell, and including a 15,000 seat athletic stadium. Areas for these buildings as well as for the proposed stadium, have been set aside, and the city of Tallahassee is cooperating by planning drainage and utilities as well as slum clearance to make way for the program. The two dormitories each will be 14 stories high, and located on the edge of a war-time housing development, now owned by the university.

TALLAHASSEE—Attorney General Richard W. Ervin advised the Osceola county school board that no more than one trustee can be elected from one school board district. If the county hasn't been divided into school board districts in accordance with recent law, then the county commission districts will control. School boards cannot use their money to assist cities or towns to build swimming pools or auditoriums on city land unless there is some permanent agreement for the schools to use such facilities, he stated in another opinion, to State School Superintendent Tom Bailey. School boards might enter into a lease agreement to use such facilities owned and paid for by cities, but cannot put up school money to build them on land the schools do not own.

TALLAHASSEE—Protest against destroying cheap rate advantages of trucks by outlawing "trip leases" on Florida-Bound vehicles has been lodged with the interstate commerce commission by the Florida Railroad and Public Utilities Commission. Chairman

Wilbur C. King said the commission has taken exception to a proposed examiner report to the ICC which would eliminate back hauls for trucks which carry Florida fruit and vegetables north, and then lease themselves to regulated carriers for general commodities coming south. If the trip lease is abolished, as the report may recommend, it will drive truck rates on fruit and vegetables much higher, to absorb the cost of returning empty to Florida.

TALLAHASSEE—A record \$8,500,000 worth of contracts of roads and bridges will be considered by the state road department when it meets in Miami, November 15. Chairman Alfred McKethan said the work will include 300 miles of new highway and 2,500 feet of bridges in 31 counties. The department will call for bids on 18,750 yards of sidewalks on the campuses of Florida State University and Florida A. and M. College, in addition to the road work.

TALLAHASSEE—Governor Warren has appointed Charles W. Blum, Jacksonville insurance man, to the state improvement commission to succeed J. A. B. Broadwater of Jacksonville, who resigned to run a bus company in Washington. Lorin T. Bice, Haines City, is a new member of the Florida citrus commission, filling the vacancy caused by the death of J. B. Stephens of Lakeland. Dr. James J. McCormick, Miami, was reappointed to the state board of osteopathic medical examiners. Miss Hazel Peoples of St. Petersburg is a new member of the state board of nurses examiners, succeeding Kathryn Gutwald of West Palm Beach.

Mr. and Mrs. Edward L. Hamilton (Flora Mary Weeks), 1013 Daclan Ave., Durham, N. C., announce the birth of a son at Duke University Hospital on Wednesday, Nov. 9.

31 Miles New Canals For Palm Beach Co. In New Water Plan

TALLAHASSEE—Despite almost annual flooding that has damaged homes, businesses, and public works to the tune of millions of dollars during the past 25 years, the cities of Florida's lower east coast have developed at such a fabulous rate that they have become one of the state's principal economic assets.

The plan of the Corps of Engineers for the control of flood and draught in Central and South Florida is designed to stop those losses in Palm Beach, Broward, and Dade counties, Col. A. G. Matthews, chief engineer of the State Division of Water Survey and Research, explained here this week.

The works proposed for the coastal section, he said, will not only protect the wealthy tourist areas from the threat of a shortened water supply and flood damage, but they will also protect a flourishing agriculture along the and farther inland.

The plan now, Matthews emphasized, is a considerable departure from plans in the past in that it stresses controls to hold the ground water at a satisfactory level, as well as rapid removal of flood waters.

For example, in the 31 miles of

new canals to be dug in Palm Beach County at a cost of \$1,622,500 there will be six control structures installed at a cost of \$302,100 in addition to two others to be installed in two existing canals at an estimated cost of \$75,100.

The 31 miles of new canals are separated into four waterways to give water control to different parts of the coastal section of the county. There will be a 20-mile canal north and east from Loxahatchee Marsh to Loxahatchee River; another north and east from Lake Mangonia to empty into Lake Worth; a third from Lake Osborne to Lake Worth; and a fourth from Lake Ida to the Inland Waterway.

Mr. and Mrs. Jack Phillips motored to Naples Sunday to visit his brother and sister-in-law, Mr. and Mrs. Moke Phillips, and bring home their son, Lonnie, who spent a week visiting there.

Philathea Class In Business Meeting

The Philathea Class, First Baptist Sunday school, made plans for Thanksgiving work at a business meeting held at the home of Mrs. Thomas Baldwin on Thursday night of last week with Mrs. Lennie Baxter and Mrs. C. A. Batchelor assisting as co-hostesses.

Miss Elizabeth Caraway was in charge of the devotionals. Mrs. H. J. Clause presided in the absence of the president. Refreshments of pumpkin pie, whipped cream and coffee were served to 15.

Frank Rogers, 74, motion picture pioneer and president of the Florida State Theatres, died at his home in Tampa September 25. Under his leadership the Florida theatre chain was built to an organization operating 105 movie theatres in 35 cities.

Blue Devils Win 1st Game Of Season

Coach Clyde Alley will take his Pahokee Blue Devils to the East Coast this afternoon for a battle with the Stuart Tigers tonight. The team, out for its second victory of the season, will be accompanied by Robert O. Lampi's Pahokee High School Band, cheer leaders and a large group of fans who know they can depend on a good battle when the Blue Devils and the Tigers face each other on the gridiron.

The 1949 Blue Devils got their first delicious taste of victory in downing the Largo Packers 26 to 0 on Lair Field Friday night. They stand a good chance of defeating Stuart tonight and St. Theresa's next week if they can hang on to the ball and are in the mood for playing football.

In the Largo game the Blue Devils were on the defensive, trying to stop the visitors' Quarterback Massey throughout the first quarter and didn't really start clicking until the middle of the second quarter when Jackie Thomas intercepted a Largo pass on the Pahokee 15 and ran the ball back to his own 32. In seven plays the Blue Devils marched to the Largo 21 where Thomas passed to Carney Wilder who was downed on the Largo 11. The Thomas to Wilder pass play was again completed for the touchdown.

At the start of the second half the Blue Devils took the kickoff on their own 37. Bernard (Buck)

Justice tore through center to the Pahokee 42. Wilder then found a hole through right tackle and ran to the Largo 12. From the 12 Stanley Hooks swept around right end for the TD and Junior Holmes plunged the line for the extra point. A little later in the third quarter Wilder intercepted a Largo pass on the Largo 40 and ran it down to the 32. Justice broke through right guard down to the 16. The Thomas to Wilder pass combination clicked again to bring the ball down to the Largo one-yard line where Ralph Chaney bucked the line for six points.

In the final period the Blue Devils again reached the one-yard line following a 47-yard drive and Chaney again went through center for the TD. Holmes made the extra point with another line play.

Fans were pleased with the work of Fullback Justice who, despite the fact he had joined the team only a week before the game, played like a veteran and gained ground practically every time he carried the ball. Payne Jackson, also a new member of the team, made some nice gains the short time he was in the game.

University of Florida students who spent the weekend with relatives here included Billy Rawls, Eddy Sims, Dellona Jones, Loreta Wilson, Leland Shirley, Donald Harrington and Frank Handley.

Mr. and Mrs. Peter Chiviges, Benton Harbor, Mich., arrived Sunday to spend the season in Pahokee. They are the house guests of Dr. and Mrs. L. W. Armstrong.

The Men's Bible Class of the Pahokee Methodist Church entertained church members and their families and friends at a fish fry on the church lawn Tuesday evening. A large crowd was present to enjoy the fish, hush puppies, corn on the cob, cole slaw and pickles which made up the feast.

The State Road Department and Pinellas County Commissioners have teamed up to provide a chain of islands with an adequate north-south highway serving the Greater Gulf Beaches. The county is sponsoring the construction of a \$1,250,000 Belleair causeway to be financed by a bond issue.

Miss Dellona Jones, student at the University of Florida, spent the past week end with relatives in Canal Point.

Mrs. W. H. Brewton and Mrs. Lola Goocher have returned from a week's visit with relatives in Alabama.

From where I sit...by Joe Marsh

Clam Chowder Can Be Dynamite!

If Smiley Roberts is a friend of yours, like he is mine, and if you want to keep his friendship, like I do, don't ever let him hear you say that good clam chowder can be made without cream.

In New England, where Smiley comes from, friendships have been broken over tomatoes versus cream in clam chowder. Experts say that south of Boston the tomato reigns supreme, but north of Boston it's cream—or else!

From where I sit, whether it should have cream or tomatoes is simply a matter of taste. This is

plain to anyone who doesn't come from clam chowder country.

What a great world this would be if we could all see that most prejudices are matters of taste only. Some like hot coffee. Some like iced. Some people like a temperate glass of beer. Others prefer ice-cold lemonade. My grandmother used to say, "Prejudice that sees only what it pleases, cannot see very plain."

Pahokee Will Make Carnival Finance Itself In Future

The Pahokee Parent-Teacher Association, acting on recommendations by the executive board at the November meeting held Monday night in the high school auditorium, voted to purchase a two-faucet electric water cooler for the school cafeteria, sponsor a musical program by Uncle Harve and his six-piece string band in the school auditorium on the night of Nov. 29 and discontinue the practice of serving refreshments after regular meetings except on special occasions.

The group voted also to put the annual Halloween carnival and party for children of the community on a self-financing basis, that is, to finance the carnival with proceeds from the booths and concessions that will be set up on the carnival grounds next year, thus eliminating the necessity of asking for financial assistance from civic groups and individuals. It was reported that the lunch stand and baked foods stands on the grounds this year netted \$51.00. A vote of thanks was given to civic groups, County Commissioner Paul Rardin and others who assisted in the financing of the carnival this year. Mrs. Horace Unwin, president, asked Mrs. Clyde Alley, safety chairman and Duncan Padgett, welfare chairman, to contact the

City Council and request that a traffic officer be placed in front of the elementary school in the afternoon during the period the children are getting out of school. Mrs. Unwin requested all members planning to attend the luncheon at the PTA County Council meeting in Canal Point on Nov. 15 to contact Mrs. Norman Kennedy for reservations by Friday, Nov. 11.

The monthly attendance awards were won by Mrs. Elsie Sims' sixth grade at the elementary school and by the ninth grade at the high school.

Mrs. Mildred Schoepel, program chairman, introduced children of Mrs. Sims' sixth grade room who presented a health playlet, "Court Convenes in Health City." David Cunningham played the part of judge; Nealy Johnson, clerk; Pat Elliott, Earl Douglas Meredith and Douglas Gillis, policemen; Tama Lowe, announcer, and the remainder of the class was cast as defendants and court spectators.

Following the program refreshments were served in the school cafeteria by Mrs. Ernest Maxwell, Mrs. Raymond Crosby, Mrs. Gene Eason, Mrs. R. Young, Mrs. Stuart Spooner, Mrs. Kenneth Rockwell, Mrs. G. F. Kincaid, Mrs. Homer Barnes, Mrs. Josh Crews, Mrs. John Rogers, Mrs. Joe Alderman, Mrs. William Johnson, Mrs. Robert Simonson and Mrs. Alex Johnson, hostesses.

Three New Members Young Matrons Circle

Mrs. Edgar Wilder, Mrs. Lamar Brown and Mrs. Michael DiBartlemayo were welcomed as new members of the Young Matrons Circle, First Baptist WMU, at a meeting at the home of Mrs. Joel Brown Monday night with Mrs. Charles Wilkinson, president, presiding.

The group voted to sponsor the Young Woman's Auxiliary; also to serve refreshments to the youth choir following rehearsals through the month of December.

Mrs. Paul Tillery was appointed membership chairman; Mrs. Charles Stamps, love fund chairman; Mrs. Edgar Wilder, kitchen chairman, and Mrs. Michael DiBartlemayo, publicity chairman.

A mission study program was presented by Mrs. W. A. Stevens, Jr. It was announced that the next circle meeting will be held at the home of Mrs. Glynn Carr on Dec. 5.

Rev. Earl J. Jones and Rev. Ralph W. Todd left Monday to attend a pastors' school at Lake Alfred. Mrs. Todd and daughters will join Rev. Todd Thursday night at their cottage at Mt. Plymouth where they plan to spend the weekend, returning home Saturday night.

Methodist WSCS To Sponsor Party

The Pahokee First Methodist WSCS met at the church Monday afternoon with the president, Mrs. John A. Dulany, presiding.

Acting on recommendations by the executive board the group voted to sponsor a party for the Junior Choir with members of the Mary Martha Circle delegated to act as hostesses. They also voted to sponsor a benefit turkey dinner in the school cafeteria Saturday evening, Nov. 19, and to purchase a guest book for the church.

It was announced that members of the Mary Martha Circle will be responsible for the placing of flowers in the church through the coming month and members of the Simonson-Lair Circle will serve on the greeting committees at the church.

Mrs. Jack Phillips, program chairman, introduced Mrs. Arch Blakey who presented a program on "Japan."

Mrs. Mullis Presents Circle Mission Study

A mission study of "Mrs. David Well Herring, Mother and Missionary," was presented by Mrs. Stella Mullis at a meeting of the Lottie Moon Circle, First Baptist WMU, at the home of Mrs. E. E. Coleman Monday afternoon.

A Christmas offering for the Veterans Hospital in Coral Gables was collected at the meeting. Mrs. Ralph Grimes, WMU president, and Mrs. Moulton were visitors. Mrs. Strickland assisted Mrs. Coleman with the serving of refreshments.

Benefit Dinner Scheduled For Nov. 19

The Pahokee First Methodist WSCS will sponsor a benefit turkey dinner in the school cafeteria Saturday, Nov. 19, from 5:30 to 8:30 p. m. Members of the Mary Martha Circle will assist with the serving and members of the Gertrude Shirley Circle will have charge of the sale of tickets which will be \$1.50 for adults and 75 cents for children under 10 years of age.

The committee in charge of arrangements includes Mrs. Earl Meredith, chairman, Mrs. G. W. Byrd, Sr., Mrs. H. J. Anderson and Mrs. George O. Schröden.

Mr. and Mrs. B. W. Wood, accompanied by their daughter, Mrs. Charles A. Baker, and granddaughter, Linda Carol Baker, of Jacksonville, visited their son and daughter-in-law, Mr. and Mrs. J. W. Wood in Miami Wednesday.

Annette McIntosh Is Fellowship Head

Annette McIntosh was elected president of the Junior Methodist Youth Fellowship group of the Pahokee First Methodist Church at a meeting Sunday evening.

Other officers elected to serve for the next three months were Pat Elliott, program chairman; Weldon Cardin, secretary, and Freddy Blakey, treasurer. Following the election a candlelight pledge service was conducted with Mrs. George Ramey, Junior MYF counselor, in charge.

Pahokee Flower Shop Open For Business

Mrs. Annie Merle Carter this week announces opening of the Pahokee Flower Shop in her home on Canal Point road in Pahokee. Mrs. Carter states in her announcement that her shop will be equipped to serve funerals, weddings and various other occasions needing flowers. She is a licensed member of the Florists' Telegraph Delivery Service.

Galloway - Hunt

Miss Elaine Arden Galloway, daughter of Mr. and Mrs. W. R. Galloway of Orlando, and Howell Bruce Hunt, son of Mr. and Mrs. Perry Hunt of Palatka, were married at the Pahokee First Methodist Church Sunday at 2 p. m., with Rev. Ralph W. Todd, pastor, officiating at the single ring ceremony. Mrs. Ralph W. Todd, organist, played "I Love You Truly" and the traditional wedding marches.

The bride wore a navy blue suit trimmed in white with blue accessories and an orchid corsage. She graduated from Zustis High School in 1947 and for the past two years has been employed by the American Fire and Casualty Company in Orlando.

Mr. Hunt, a graduate of Clermont High School, served in the Navy aboard the Carrier Hancock during World War II. He is now employed by the Walker Chemical and Fertilizer Company, Fairville, Fla.

Following a wedding trip to Miami and other East Coast cities Mr. and Mrs. Hunt will make their home in Quincy, Fla.

"In The Good Old Summertime"

starring

Judy Garland, Van
Johnson, S. K. Sakall,
Spring Byington
(In technicolor)

Educational Seminar Was Held In Canal Point Wed.

An educational seminar was conducted by the Woman's Society of Christian Service of the Miami District of Methodist Churches at the Canal Point Methodist Church Wednesday, with Mrs. O. E. Pearson, district president, presiding. The seminar theme was "Christ Jesus Himself, the Cornerstone."

At the morning session which started at 10 a. m. Mrs. T. N. Alexander, chairman, explained the purpose of the seminar and spoke on "The Local Woman Building a Christian World Community." Talks were also given by Mrs. Marion Frank, "Japan, Christianity's Open Gateway," Mrs. John A. Dulany, "The Church of Tomorrow," Mrs. H. Stewart Austin, "Come See Our Literature" and "Co-operation for a Christian World."

In the afternoon Mrs. G. C. Wood spoke on "Women of the Scriptures," Mrs. Frank, "Wesleyan Service Guild Plans for Study and Action" and "We, the Peoples of the Ecumenical Church," and Mrs. Alexander, "Questions and Answers." Mrs. Pearson led the dedication service at the close of the seminar.

Mrs. F. W. Cross, Sr., Canal Point Christian social relations chairman, was in charge of general arrangements for the seminar. Mrs. W. K. Buchanan, Canal Point WSCS president, gave the prayer and grace at the close of the morning session and members of her group acted as hostesses at the luncheon at 12:30 p. m. Mrs. Hackaway, WSCS district secretary of

Syracuse, N. Y., and Mrs. James L. Jones of Delevan, N. Y., were visitors. WSCS members from Belle Glade, Pahokee and Canal Point attended the seminar.

Funeral Services For L. P. Mercer

Funeral services for Leonard P. Mercer, Sr., 62, of Okeechobee were held in the chapel of the Coker Funeral Home in Wauchula Wednesday at 2:30 p. m.

Mr. Mercer, long time resident of Okeechobee and former teacher and principal of Okeechobee County Schools, died at his home in Okeechobee Saturday afternoon following two years of ill health. He was born in Hardee County, Fla., on Oct. 4, 1887.

He is survived by his wife, Vivian Mercer of Okeechobee, who is a member of the Canal Point teaching staff; two daughters, Mrs. J. B. Ott and Mrs. Russell L. Rice, both of Okeechobee; three sisters and three brothers.

Farewell Supper For Wetheringtons

The Canal Point American Legion Auxiliary is entertained at the Legion Hall this week with a farewell supper honoring Mr. and Mrs. C. R. Wetherington, Sr. who are moving soon to Fort Lauderdale. Mr. Wetherington has been transferred to Fort Lauderdale by the Florida East Coast Railway Company after more than 25 years of residence in Canal Point.

The group made plans for a rummage sale on Nov. 19 and members were asked to leave clothing donations for the sale at Carter's Sport Shop or with Mrs. Wilma Lense. It was announced that Mrs. Edward Dannelly and Mrs. Charles Maxson are receiving the Christmas gifts being collected by the Auxiliary for disabled veterans.

Girl Scouts Name Officers for Year

Pahokee Girl Scout Troop Two was recently organized for this season and the following officers selected: Corinne Collins, president; Betty Holt, vice-president; Gaye Scholopoff, secretary; Kay Friend, treasurer, and Jeanine Mock, reporter.

Mrs. Leon Spooner and Mrs. Rupert Mock volunteered to serve as leaders of the troop through the coming year. It was voted to conduct regular troop meetings at the First Methodist Church every Tuesday afternoon. At the meeting this week the scouts discussed badge work with their leaders.

Mrs. J. V. Thomas and son, Jackie, accompanied by Mrs. Estner McAlpine and son, Eddie, spent the week end in Sanford with Mr. and E. K. Kilpatrick. Mrs. McAlpine and son remained.

State 4-H Winner

JOANN PLATT

Joann Platt Is State 4-H Winner

Joann Platt, a fifteen year old Pahokee girl who has been a 4-H club girl for five years, has been selected as the State 4-H winner in the Home Grounds Beautification contest, for which she will receive a gold wrist watch.

For over a year Joann has worked with her parents, Mr. and Mrs. J. T. Platt, on their new home, helping with all the preplanning, prior to the actual construction work; and then spent summer vacations and weekends assisting her father on the job.

When the Platt family moved into their new home, Joann decided to assume the ground improvement work as a part of her 4-H club activities. This, too, was a cooperative plan including the entire family.

In Joann's record she reports: "I urged my family to begin our yard improvement in the back yard, first because I knew we would immediately start the front beautification which can be seen from the street. If we had started the other way, the backyard still, may be unimproved."

"Clearing the ground of the Maiden Cane grass was our hardest task, because this grass was seven or eight feet high. When this was finished we filled in the lot to make it level, planted grass which today is a thick beautiful carpet. I planted foundation shrubs all around the house and separated them from the lawn with low border plantings. We included in our plan hibiscus, citrus trees, and tropical fruit trees which in the future will supply us with fruits as being ornamental in our yard."

"To hide the rear of our property where our vegetable garden, tool house, etc. will be, all of us worked on building a climbing rose trellis which extends all across the back yard. Near this we shall build our Bar-B-Q pit and patio. This will be my project for the coming year."

Joann has excelled in leadership during her five years in 4-H club work. She served as chairman of the 4-H overseas canning project during the war while she was a member of the Canal Point Club. Also Joann has been president of

the Pahokee Sr. 4-H Club for two years, having just been elected for the present year. She served as Vice-President of the Pahokee Club in 1948 and has also been a Jr. Council Delegate and Secretary-Treasurer. When the Glades 4-H Achievement Day program was held in Pahokee last May, Joann had charge of the afternoon Rally. She supervised 80 girls who participated in the contests and races. Last July Joann was one of the 4-H Camp instructors, teaching daily a class in recreation and planned all evening programs.

For four years this club girl excelled in the 4-H child care demonstration winning County honors in this project each year. In 1946 she won 1st place honors in the Sears Roebuck Foundation 4-H Pullet and Egg Shows. The same year she was one of the County's 4-H judging team, competing in the State 4-H Poultry Contest held annually in Orlando.

Home Grounds beautification work, child care demonstration, and poultry are only a few of the 4-H activities this girl has conducted. Joann has enjoyed work in clothing; 5 years; Food preparation; 5 years; canning; 2 years; Beekeeping; 1 year; Gardening; 3 years; Home Improvement; interior; 3 years. Joann won two trips to State 4-H Short Course, Tallahassee for being outstanding in County activities.

Mr. and Mrs. A. Q. Howell have as a guest this week their daughter, Mrs. J. W. Sudbury, of Sarasota.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

'MORTALS AND IMMORTALS' is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, November 13.

The Golden Text is: "They which are the children of the flesh, these are the children of God" (Romans 9:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For I know that in me (that is, in my flesh), dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not" (Romans 7:18).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "Do not believe in any supposed necessity for sin, disease, or death, knowing (as you ought to know) that God never requires obedience to a so-called material law, for no such law exists. The belief in sin and death is destroyed by the law of God, which is the law of Life instead of death, of harmony instead of discord, of Spirit instead of the flesh" (253:25).

South Bay PTA Has Carnival Profit \$825

SOUTH BAY—The South Bay Parent-Teacher Association realized a net sum of \$825 on the annual Halloween Carnival staged on the school tennis court.

A total of \$129 was realized from the king and queen contest and \$200 from the cake-walk, in which more than 80 cakes were given winners.

Mr. and Mrs. W. H. Jones, Jr., returned Saturday from a week's visit with relatives in New Bern, N. C.

Mrs. Marjorie Henderson entertained at the Woman's Club building on Thursday night of last week with a party honoring her daughter, Rose Marie, who was celebrating her twelfth birthday anniversary.

Fausett Resigns From State Patrol

TALLAHASSEE — The demotion of State Highway Patrol Lt. A. G. Fausett was revoked Wednesday and all charges against him were withdrawn as he submitted his resignation from the patrol.

The revocation and resignation letters, announced by Commissioner of Agriculture Nathan Mayo as a member of the cabinet board of public safety, were the first official announcements that any action had been taken against Fausett.

Director H. N. Kirkman of the Highway Patrol denied Monday that any charges had been placed against Fausett and that any action had been taken against him.

However, Mayo exhibited a letter of Nov. 1 in which Kirkman notified Fausett he was demoting him to sergeant on "conclusive proof" that he had been guilty of charges unbecoming an officer, transporting punchboards in a patrol car, disobedience of rules and general incompetency.

Fausett, one of the original members of the patrol when it was organized in 1939, had been officer in charge of the West Palm Beach Highway Patrol District.

Kirkman's second letter in the case, notifying Fausett that any charges against him were withdrawn and the demotion revoked, was dated Wednesday.

Also in the file was a letter from Leo Foster, attorney for Fausett, dated Tuesday, asking the cabinet to conduct a full hearing on the charges.

Both Fausett and his lawyer were present when Mayo announced the sequence of actions but neither would comment on the charges Kirkman had placed against the patrol lieutenant.

They said it was part of the agreement that they would make no statements.

Mr. and Mrs. George O. Schroder arrived recently from Philadelphia, Pa., to spend the season in Pahokee.

Mrs. Zona Burns Has Birthday Party

Mrs. Zona Burns was honored on her birthday anniversary at a party given by her mother, Mrs. S. T. Monroe, at their home on Second Ave. Monday night. The hostess was assisted in the entertaining by Mrs. R. W. Sanders and Mrs. William McClenithan.

Bouquets of asters and zinnias were used as floral decorations. Mrs. Sanders sang a vocal solo. Mrs. Robert Walker and Mrs. Duncan Padgett sang a duet. Mrs. Ralph W. Todd and Ann Rita Burns played piano selections and Ann Rita sang several songs. Contest prizes were won by Robert Walker, J. V. Thomas and Jack Carr.

Refreshments of cake and coffee were served to Mr. and Mrs. Duncan Padgett, Mr. and Mrs. John A. Dulany, Mr. and Mrs. J. V. Thomas, Mr. and Mrs. Jack Spencer, Mr. and Mrs. C. C. Cruthird, Mr. and Mrs. Jack Carr, Mr. and Mrs. George Ramey, Mrs. Hazel Jenkins, Mrs. R. W. Todd, Ralph Johnson, William McClenithan, Mr. Marshall, Ann Rita Burns and Weldon Cardin.

Mr. and Mrs. W. R. Galloway and daughter, Janet, of Orlando were the house guests of Rev. and Mrs. Ralph W. Todd over the weekend.

Mr. and Mrs. Morris Tiffin of Jacksonville arrived in Pahokee Wednesday for a visit with his uncle and aunt, Mr. and Mrs. R. J. Schroder.

Charles A. Baker of Jacksonville, who is spending several days along the East Coast on business, visited relatives in Pahokee and Canal Point over the weekend.

George L. Sims, Jr., freshman at the University of Florida, spent the past week end with his parents in Canal Point.

Mrs. Thadd Whidden is taking a 10-weeks course in anesthetics at the Cook County Hospital in Chicago, Ill.

Donald Padgett, senior at the University of Florida, has been pledged to the Alpha Tau Alpha Fraternity, a national honorary agriculture educational fraternity.

Cinematic Chatter

By Malcolm Miller

Truly one of the most delightful technical pictures to be filmed here in some time is "In The Good Old Summertime", which is due to be filmed at the Prince Theatre this Sunday-Monday.

Stars of the piece are Judy Garland and Van Johnson, with S. K. Sakall and Spring Byington heading the large cast of featured players.

Song numbers to be introduced are "In The Good Old Summertime", "Meet Me Tonight in Dreamland", "Put Your Arms around me Honey", "Play the Barbershop Chord", "I Don't Care." (The famous Eva Tanguay stage hit), all of them bringing back memories of the yesteryears.

The story is a grand tale of romance with complications and comedy situations, which keeps the audience on their toes every moment of the showing.

See you at the movies—Mal.

The State Game and Fresh Water Fish Commission this year adopted a uniform statewide hunting season with the same hunting days in each of the state's five conservation districts.

The person who continually offers to resign will some day have his resignation accepted.

Parents will some day learn to let their little hopefuls find out some of the lessons of life by their own experience.

189 Miles Of Levee To Be Built In Plan For Flood Control

TALLAHASSEE — Safeguarding an area the size of the Central and Southern District, one-fourth of Florida, from flood and drought is a task that is as complicated as it is gigantic.

That was an engineering opinion expressed by Col. A. G. Matthews, chief engineer of the State Division of Water Survey and Research, here this week in explanation of part of the plan for water control in that section of the state.

To illustrate, he described the current project plans for a huge 1,500 square mile water conservation area, twice the size of Lake Okeechobee, at an approximate cost of \$33,224,000.

That area is located in the eastern Everglades of Palm Beach, Broward, and Dade counties, and it will require the moving of almost 32,000,000 cubic yards of earth, and the building of approximately 189 miles of levees.

In reality, the conservation area will be three interconnected reservoirs capable of receiving the maximum rainfall of record in the area as well as the run-off from the country north of the West Palm Beach Canal, the Everglades farming section, and the Davis section on the east. By holding those waters in the reservoirs and the soil and rocks beneath them, the lower east coast cities that have suffered so much flood damage over the years would be protected from excess water from the back country.

At the same time, this storage operation is expected to conserve water for drought-time use by the east coast farming sections and urban areas.

This feature will present a solution to the problem of salt intrusion from the sea, and scant municipal water supplies during times of drought.

Four Circles Plan To Meet Tuesday

The four circles of the Community Garden Club will meet on Tuesday of next week at homes of various members. The program subject will be "History of Garden Clubs" and plants will be exchanged at each of the meetings, according to Mrs. H. M. McIntosh, club president.

Gardenia Circle will meet at the home of Mrs. W. S. Evans, Cypress Lodge, Port Mayaca, with Mrs. M. C. Carter assisting as co-hostess. This meeting starts at 9:45 a. m.

Ixora Circle meets at 3:30 p. m. at the home of Mrs. A. E. Morgan with Mrs. T. S. Kirk and Mrs. Paul Riddle assisting as co-hostesses.

Hibiscus Circle will meet at the home of Mrs. J. S. Chastain on Bacom Point Road at 10 a. m. Mrs. Chastain will be assisted with the serving of refreshments by Mrs. H. L. Speer and Mrs. Paul Watson, co-hostesses.

Poinsettia Circle will meet at 3:30 p. m. at the home of Mrs. Olaf Boe in "Boeville."

Mr. and Mrs. Charles Griffin (Windy) Willis of Pahokee announce the birth of a daughter, Mary Virginia, at the Pahokee Hospital, Nov. 2.

Mr. and Mrs. Drew Allen Strickland of Indiantown announce the birth of a daughter, Virginia Allene, at the Pahokee Hospital, Nov. 2.

In an effort to cut operating costs in the State Motor Vehicle Department, Commissioner Arch Livingston announced that he plans to install machines that will do the work with less employees. State Auditor Bryan Willis recommended machine to improve the department's efficiency and economy.
